The Training will provide information on how a client may be able to receive full-scope Medi-Cal if he/she is a working disabled individual with countable income below 250% of the Federal Income Guidelines (FIG). The information presented will show how a person enrolled in the program can maintain his/her Medi-Cal and In Home Supportive Services (IHSS) benefits while working full-time, part-time, or being self-employed. This Training is open to persons with disabilities and professionals who work with persons with disabilities.

OBJECTIVES: As a result of attending this training, participants should be able to:

1. Describe ways to receive full-scope Medi-Cal benefits while working full-time, part-time, or being self-employed.
2. Identify how a person enrolled in the program can maintain his/her Medi-Cal
3. Describe ways to maintain In Home Supportive Services (IHSS)
